

VERNON HOUSING AUTHORITY

21 Court Street, Vernon, CT 06066

Annual Report 2014

On behalf of the Board of Commissioners, I am pleased to present the Annual Report for the Housing Authority of the Town of Vernon for Fiscal Year Ending December 31, 2014. This past year has been a success due to the hard work and commitment by the commissioners and staff of the Housing Authority of the Town of Vernon (VHA).

Over the course of the past twelve months the VHA commissioners and staff have focused efforts toward completing our goal of maintaining our high standards in the leasing of our housing stock and assisting additional Housing Choice Voucher Program clients.

The VHA was successful in averaging a 99% occupancy rate at our properties throughout the year. Our Local Housing Choice Voucher Program continued to assist as many families as possible considering the continued underfunding of the program. The number of families served rose to 283 from 276. Additionally, we were able to increase the number of families served in our State of Connecticut DOH - HCV and RAP Program from 935 to 1,029. All of this was completed with diminished operating and administrative funding coming from the Department of Housing and Urban Development. These funding shortfalls necessitated the use of some program reserves to meet operating and administrative costs of the program.

In 2014 the VHA undertook a major energy conservation contract at all of our federal properties. This contract will allow the VHA to become more energy efficient and provide more cost effective utilities to our residents while updating our lighting and heating systems.

The VHA Board of Commissioners and staff remain committed to providing quality affordable housing opportunities despite the challenges that lay ahead. The Vernon Housing Authority will continue to work in 2015 with a focus on preserving these vital assets.

Respectfully Submitted,

Jeffrey Arn
Executive Director

MAJOR ACTIVITIES

Energy Performance Contract at Franklin Park East, West, Windermere Court, Court Towers and Scattered Sites

The Vernon Housing Authority procured the services of a qualified energy performance contractor. The most qualified contractor CTI Energy was hired to perform these services and began the process in 2014. An investment grade energy audit was performed and several qualified energy savings measures were found. These measures include; the replacement of all lights with new energy efficient L.E.D. lighting, Installation of electric heat pumps at Franklin Park and Windermere, new low flow toilets, shower heads and aerators and solar panels at the Franklin Park Laundry Room. A contract in the amount of \$1,633,768 was approved by HUD and executed. A reduced interest rate loan was applied for and received from CHFA to pay for the improvements. The loan will be paid off using the cost savings received on the energy reduction measures. All energy savings measures are scheduled to be completed in 2015.

CHFA Capital Plan

In order to comply with the recommendations of the CHFA Capital Plan the VHA began to assemble a development team to begin the process of redeveloping the Francis J. Pitkat Congregate Living Center. We contracted with John D'Amelia as our Modernization Consultant and Quisenberry Arcari Architects, LLC as our design professional. The design and application for funding to the state is planned for 2015.

Appointments to the Board of Commissioners

Ms. Karen Roy-Guglielmi was reappointed to an additional five year term by the Vernon Town Council in February 2014. She has diligently served the residents of Vernon by being actively involved in the VHA's success in providing quality affordable housing opportunities.

Housing Advocacy & Associations

The VHA continues to be committed to advocating for public housing. VHA Executive Director Jeffrey Arn remains an active Executive Board member for the Connecticut Chapter of the National Association of Housing and Redevelopment Officials (CONN-NAHRO) and continued as Senior Vice President in 2014. As Senior VP Mr. Arn assists the President of the organization on all aspects of oversight of the agency and puts him in line to become President in 2015.

2014 Resident Services

The Vernon Housing Authority enhances our ability to provide a positive living environment through a commitment to resident services. This is achieved by dedicating a full time staff member to work directly with our residents and also by organizing events and activities.

This past year, the VHA has assisted more than One Hundred and Ninety residents with different services that they have needed. The list of services includes; Homemaking Service, Home Health Aides, Transportation Services, Public Assistance Programs, Mental Health Services, Medicare/Health Insurance, Visiting Nurses Service, Protective Services & Community Meals.

We once again teamed with the Town of Vernon Department of Social Services to sign up our residents for the rental rebate program. Over two hundred of our residents took advantage of this offer allowing them to supplement their limited budgets.

In addition to services we have provided community relations through health clinics, entertainment and community functions. Clinics & functions at all of our senior and disabled housing sites included; Blood Pressure Clinics, Foot Care Clinics, Summer Picnics, Holiday Parties, Ice Cream Socials, Musical Entertainment, Bingo, Pizza Parties, Breakfasts, Dinners and other miscellaneous game playing functions.

At Court Towers we continued the operation of the Gift and Coffee Shops as a service for our residents. These are able to continue operation thanks to our resident volunteers including; Ray Powers, Margaret Finn, Irene Kozlowski, Richard Brough & Doris Farr.

HUD Housing Choice Voucher Management Assessment

The VHA has maintained the status of being a High Performing Agency with the U.S. Department of Housing and Urban Development in the management of the Section 8 Program. The VHA was assessed for the year ending 2014 and received 90 of 100 possible points.

Public Housing Assessment System

The VHA was not officially scored on the PHAS system for 2014 due to our high performing status in the previous year. However, we were informed by HUD that if we had been scored we would have achieved high performance status again.

Payment in Lieu of Taxes (PILOT)

The Housing Authority of Town of Vernon was able to maintain the increased amount of PILOT payment made to the town in 2014 due to our high occupancy rates. The PILOT payments made in 2012, 2013 & 2014 are listed below;

<u>Property Designation</u>	<u>2014 Pilot Payment</u>	<u>2013Pilot Payment</u>	<u>2012 Pilot Payment</u>
Court Towers, Franklin Park West & Scattered Sites	\$39,389	\$40,822	\$35,634
Franklin Park East	\$10,383	\$10,179	\$ 9,206
Windermere Court	\$ 9,425	\$ 8,800	\$ 7,975
Francis Pitkat Congregate	<u>\$12,243</u>	<u>\$ 11,686</u>	<u>\$ 10,537</u>
Total Payment	\$71,440	\$71,487	\$63,352

As demonstrated above the VHA has been able to maintain the increased value we have developed to the Town of Vernon by not only providing more affordable housing to our residents but also maintaining the increased amount of money we are able to give the Town in our PILOT payment.

FACILITES

Work Orders

Through December 31, 2014, the VHA maintenance staff completed 1,353 work orders for maintenance services.

Unit Turnover

The VHA maintenance staff renovated 37 apartments in preparation for new and/or transferred residents.

Annual Financial Audit

The Fiscal Year 2013 Audit Report was completed and filed as required. There was one finding cited in the report. A full copy of the audited financial statements is available upon request at the VHA Office.

Management Plans

The Congregate Housing Management and Services Plans and also the Elderly and Moderate Rental Plans were submitted and approved as required.

Base Rent Structure

State Elderly – A base rent increase of \$15 went into effect for January 1, 2014. The amount of the increase was related to the size of the apartment. The new base rents are \$290 for an efficiency and \$305 for a one bedroom per month. Some residents who cannot afford the base rent may receive a rent subsidy from the State of Connecticut's Rental Assistance Payment (RAP) program if funds are available. However continued and/or adequate funding for this program is a major concern due to the ongoing State of CT budget crisis.

Congregate – A base rent increase of \$20 went into effect for July 1, 2014 at our Congregate facility. The base rents are \$380 for an efficiency and \$440 for a one bedroom per month.

Section 8 Housing Choice Voucher Program

During 2014, the VHA continued to work with diminished funding while maintaining a high level of services for our clients. We were able to slightly increase from 276 to 283 vouchers at the year's end.

This department undertook the daunting task of opening our waiting list in 2014. In a three day span we received over 16,000 applications to participate in the lottery to be on the waiting list. 500 families were chosen to be on the waiting list.

Annual Agency Plan (HUD required)

The required Agency Plan for FY2014 has been submitted and approved by the US Department of Housing and Urban Development. A copy of the plan is available for viewing at the Central Office during regular business hours.

HOUSING PROPERTY & Program SUMMARY

Federally Funded Elderly and Disabled Developments

Residents pay rents based on 30% of their adjusted gross income. All utilities except phone and cable are included in the rent at these sites. The flat or maximum rents are based on 80% of the fair market rents as published by HUD annually. In 2014 the flat rents were held at \$600 for an efficiency and \$752 for a one bedroom.
